MA in English

Weave your story

text. texture. textile.

- Literature and Cultural Studies
- Applied Linguistics and TESOL
- Literature and Creative Writing

Department of English and Humanities
UNIVERSITY OF LIBERAL ARTS
BANGLADESH

Message from the Dean

Welcome to the University of Liberal Arts Bangladesh, the leading private university that upholds liberal arts as its ethos. Under the School of Arts and Humanities, the Department of English and Humanities offers a three-track MA in English

Program where students can choose to specialize in Literature and Cultural Studies, Applied Linguistics and TESOL, or Literature and Creative Writing. The study of English has a positive impact on every aspect of our practical and intellectual life. We hope you will join and grow with us.

Professor Kaiser Haq, PhD

Dean
School of Arts and Humanities

Message from the Head

The Department of English and Humanities is proud of its internationally known faculty members including linguists, translators, creative writers, literature specialists and writing support scholars. Our three-track MA program has already started making a difference. **Track 1: Literature and Cultural Studies** approaches literary and cultural issues from an interdisciplinary perspective. **Track 2: Applied Linguistics and TESOL** combines theories of language before applying them to real-life scenarios. **Track 3:** We are the first university in Bangladesh to offer an **MA in Creative Writing**.

The Department publishes a scholarly journal of international repute, hosts a creative writing program, and partners with numerous local and global platforms to give its students the flavor of a world class learning environment. DEH students are engaged in various extra-curricular activities to make sure that life here is never boring.

Professor Shamsad Mortuza, PhD

Pro Vice-Chancellor
Head, Department of English and Humanities

Why Choose DEH

- Highly accomplished and award-winning faculty members;
- Updated and job-oriented curriculum;
- Blended learning and sophisticated online platforms;
- Mentorship programs and Writing labs;
- On-campus jobs as TAs and peer mentors
- International linkage with universities in Australia, USA, Thailand

Why Study English

- Learn experientially through discussion, debate, and stimulating readings and research assignments
- Learn about other cultures
- Increase analytical and critical thinking skills
- Enhance creative outlook and sharpen communication and research skills
- Gain theoretical perspectives and professional knowledge in different areas of applied research in arts and humanities
